This estimate includes all necessary pipework alterations, the removal of all related waste. This estimate is subject to our Terms and Conditions, which can be found at www.plumbwells.co.uk/help-faqs. All goods remain the property of Plumbwells Plumbing Ltd until full payment is received. Estimates do not include the cost of any electrical works that may be required, or time spent carrying out unforeseen works, such as clearing system blockages, repairing or replacing faults within the existing system. An Estimate is our 'best guess' (not a fixed quote) for how much the described works will cost and may vary due to time or materials required. Any additional works will be notified to you at the time and all works will be charged at our standard rates, plus the cost of any materials required. By accepting this Estimate you accept that you will be charged for all works carried out at our standard rates and agree to pay in accordance with our terms and conditions. Delayed or missing payments will be subject to interest and any costs involved in the recovery of monies owed.
